**WINNING THE WAR**—  
WILL NOT ALL BE DONE by the "Boys Over There" on the firing line. A big part must be done here—BY YOU—YOU must do YOUR part and YOUR part is a BIG part. It is up to every one of US to do our utmost to conserve everything possible in the way of food supplies and to produce every pound of Food Supplies possible. We must produce more Wheat, Oats, Rye, Pork, Beef, etc., and also WE must save money and invest it in War Stamps and Liberty Bonds to help OUR Government carry on. THIS BANK stands ready to help in every way it can help to produce more and bigger Food crops and to assist you in buying Liberty Bonds. But, if YOU are a Farmer, let us insist that YOU sow More Wheat, Oats, and other Grain Crops this fall than ever before, and be sure to put it in as it should be.
